

# The Werewolf

You can resize the files if you want a smaller (or larger) sized miniatures in your game, these files are good to 28-32mm miniature games without changes. The finished model will be 4.4 cm high at 100%. The model you can see in the pictures is 20% larger because I wanted to see all the details :)

**You do not need supports** to print this miniatures!

We have printed this model at 100-micron layer height, 15 percent infill and 195 C with PLA, using a 0.2 mm nozzle. These numbers may vary based on your printer and the material you use.

You can glue the parts together with any type of super glue.
